

HORIZON 2020 (and more) for group leaders and experienced scientists: Information and general consulting on research funding in Europe

Thursday, May 23, 2019

Gästehaus Campus Freudenberg, Gebäude FA

PRELIMINARY PROGRAMME

09:30 - 10:20	Reminder: Funding of research projects by German, European and international organisations
10:20 - 10:30	10 min break
10:30 - 11:20	Basic features of a research funding application & typical submission procedures. The viewpoints of project officers and evaluators. H2020 basics: Funding opportunities and ulterior motives
11:20 - 11:30	10 min break
11:30 - 12:20	Excellent Science, Industrial Leadership, Societal Challenges. Opportunities for all researchers: Cooperative project, MSCA & ERC StG /CoG/AdG. Plan B & Plan C: Marie Curie Fellows, COST & RISE.
12:20 - 12:30	Q & A
12:30 - 13:30	Lunch time
13:30 - 14:20	From a Rough Idea to an Effective Proposal. Two-page-summary: research, excellence, implementation, impact. Features of successful proposals (and failures). Do's, taboos and Mortal Sins.
14:20 - 14:30	10 min break
14:30 - 15:20	Commission procedures - a look behind closed doors: Thinking like a project officer / an evaluator; understanding the portal, the panel and external experts. Negotiation and execution
15:20 - 15:30	10 min break
15:30 - 16:20	Reality check: Brief analysis of successful ERC proposals. ERC, MSCA & RIA in detail: Innovation, Impact, Implementation. Interview tips. Why is 85% great - but not enough?
16:20 - 17:00	Q & A: where are YOUR best chances?

The lecturer, Dr. Werner Klotzbücher, is a physicist and chemist, a former group leader at the Max Planck Institute for Bioinorganic Chemistry. Besides his own cryogenic research he specialized in proposal consulting for research projects in German, Israeli and European funding programs.

The seminar will be held in English. All slides are in English.

The number of participants is limited - please register with U. Hartig <uhartig@uni-wuppertal.de>
